

Summer Head Lifeguard – DCH Summer Pool

The Dedham Community House is looking for a motivated and responsible individual to fill the position of Head Lifeguard for our outdoor pool during the 2018 summer season. Located right in the heart of Dedham Square, we serve over 450 children each summer with our summer camp, over 200 families with our pool membership and day pass programs as well as over 100 participants in our swim lesson and aquatic exercise programs.

The Head Lifeguard (HL) is responsible for working with the Aquatics Director on the coordination and supervision of the day-to-day operation of the summer aquatics program which includes swim lessons and open swim for summer day camp, preschool, youth and family swim lessons and membership open swim. The HL is responsible for helping the Aquatics Director to supervise all lifeguards and instructors, insuring that complete coverage for all aquatic programs is maintained. The HL will also be responsible for helping to maintain a clean and safe aquatic environment through safety checks, equipment maintenance, and appropriate water testing, among other procedures insuring the pool is always kept to the standards required per Massachusetts regulations.

The ideal candidate will be 21 years of age or older, have current ARC or YMCA certifications in Lifeguarding, Water Safety Instruction (W.S.I.), CPR for the Professional Rescuer, AED, O2 and First Aid, and have at least two years of experience in swim instruction and guarding as well as some level of management of aquatics programs.

To apply please send resumes and brief cover letters to:
