

DEDHAM COMMUNITY HOUSE

SUMMER CAMP

Week 2

June 29, 2018

SHARKS

The Sharks had another great week at camp! The theme for this week was food, so we learned a new dance about fruit salad in drama! In woodworking we have been working very hard on our trucks and cars as well as our swimming skills during swim lessons! The sharks can't wait for a 3rd week at camp!

CUBS

The cubs had a very exciting week at camp! The theme this week was food so in drama they learned a dance to a banana song to perform at skits! In woodworking they have been making cars and trucks and some of the arts and crafts projects included bracelets/necklaces and glue painting.

JAGUARS

The Jaguars had an amazing second week at camp! We enjoyed making cars in woodworking, playing sharks and lifeguards during sports and games, and creating pictures out of fuse beads at arts and crafts! We can't wait for another week at DCH!

MONKEYS & GOATS

This week the monkey/goats had so much fun! In Arts and Crafts we made beaded bracelets, painted with foam paints and on our rainy day we created different shapes with fuse beads. In sports and games we spent the week playing hockey, soccer and Dr. Dodgeball. In science we saw which candies reacted with coke! Mentos won! In Drama, we danced along to Havanna and shake it off ending the week with our food themed dance! In woodworking we made our own trucks and cars. We ended the week with a hot day swimming in the pool!

WOLVES

This week, the Wolves had fun playing sports like dodgeball, soccer and blob tag. We made beautiful cars and trucks in woodworking. We learned a new dance in drama! We made lots of bracelets and played lots of games in the Rec Room like ping pong and cards. We loved cooling off in the pool after a hot day.

TIGERS & MOOSE

This week the Moose and Tigers teamed up to have a wild week of fun. During this week, the campers have indulged themselves in bracelet making and sports and games. We even go to cool off with ice cream making in science. The moose and tigers are having a great time being combined and getting to know more people. Next week is America week so don't forget to sport your red, white and blue!

PENGUINS

We had a great week at camp! In Sports and Games we played basketball. We had a lot of good baskets! Our dance for Drama is "Gummy, Gummy Bear". In Arts and Crafts we made bracelets. Good craftsmanship! Excited for another week!
