

DEDHAM COMMUNITY HOUSE

SUMMER CAMP

Session 11, August 27th-31th

Sharks

This week the sharks made books in Arts and Crafts that all of their friends were able to sign! In Drama we created a dance to the song “Party in the USA”. The campers had a great time playing dodgeball. This was a wonderful week for all of the campers!

Cubs

This week in the cubs we had a blast! On Monday we met the new campers for the last week of camp. One Tuesday and Wednesday, we played dodgeball and 7-up. Thursday was hot so we spent much of the day inside to escape the heat! Friday we celebrated the last day of camp!

Penguins

It was a great fun summer! We all had a blast. We made lots of friends and will miss seeing each other at camp. Thanks for the memories, see you next year!

Monkeys

The monkeys had a marvelous last week at camp! We had so much fun playing games like dodgeball, pinball, fishy-fishy cross my ocean, and more! We enjoyed playing at the pool, especially on the really hot days! We can't wait for more fun next summer

Moose

The last week of camp is an upsetting one but is always fun! The moose had to say goodbye to their favorite counselor, Matt on Monday. But Matt made a surprise return on Friday to the excitement of the whole group! The moose have had a wonderful summer and enjoyed all of the games and activities. We can't wait for next summer!
