

# DEDHAM COMMUNITY HOUSE SUMMER CAMP

Session 7, August 3rd, 2018

## Sharks

the Sharks had another fantastic week at camp! This week was Hawaiian themed so we made leis in Arts and Crafts to go with our tikis we made in woodworking! The Sharks have also been working very hard on our Moana skit for Friday. Cant wait for next week!

## Cubs

The Cubs had a phenomenal week at camp! Many of us went on the field trip to George's Island and saw the cool fort. This week at camp was also Hawaiian week so many of our projects revolved around that. We made Tikis in woodworking and leis in Arts and Crafts and even made up a dance to a Lilo and Stitch song! See you next week!

## Monkeys

This week was all about Hawaii! In arts and crafts we made lei necklaces. In science we spent time playing with slime and made exploding popsicle sticks! Sports and games was filled with games of World Cup and Capture the Flag. We also learned a dance to "Humuhumunukunukuapua'a" from High School Musical 2!

## Wolves

The Wolves had another exciting week at camp. We played the cone game and dodgeball. In arts and crafts we made pretty bubble painting and leis. We went to the Fairbanks House and made cheese and butter, and also learned about what they would have grown on the land there. While most of the group explored George's Island the rest of us had fun at double free swim! We are looking forward to more fun in the sun next week!

## Tigers

This week was awesome! The heat was through the roof, so we enjoyed cooling off in the pool at the end of the day. In drama we had tons of dance parties and decided to do a Mamma Mia song! In woodworking we worked alongside the Moose to create some corn hole boards . We cant wait for next week to see some old friends and make some new ones!

## Jaguars

The Jaguars had a spectacular week 7 at camp! We danced to Hawaiian songs in drama , made tiki masks in woodworking and spent the day on Thursday exploring George's Island! We can't wait for next week at DCH!

## Goats

This week in science the Goats made blue slime and "flying popsicle sticks"! In arts and crafts we played with model magic. We celebrated Hawaii and danced to the Beach Boys classic " Wouldn't It Be Nice"! Cant wait for another week at DCH!

## Penguins

It was a hot week but we all had so much fun at camp! On Thursday we visited George's Island! We made Tiki's in woodworking and some of us even got double free swim! We're excited for more camp!

## Moose

In this week of summer the moose made one of our best skits yet and had a blast creating the dance! We bonded through card games, the cone game, and cracker ball. We got the experience George's Island and the spookiness of the dark rooms. We plan on having a great luau at skits on Friday and shaving even more fun next week!
